TREC # 04-00-082-19538 4 Hrs MCE

This course goes beyond the basics and covers the most misunderstood sections of the contract that ultimately cause risk.

Risk regarding the Notice Paragraph, Financing Addendum, Lender Underwriting requirements, declared use of the property, proper use of dates, and repair items, are just a few of the areas we will cover.

In addition, licensees also need to know various other forms available for their use such as the TAR forms, Rejection of Offer, General Info and Notice to Buyer and Final Walk Thru forms.
