

Legal Issues Update

2012

As real estate professionals, you know there are 1,001 things you have to know every day. In a world where one mistake is too much, you need to continually strengthen your foundation of skills and knowledge. Attend this highly informative event and receive updates regarding:

- **TREC Promulgated Contract Changes that are mandatory for use by all real estate licensees as of March 1, 2012 (recommended for use now). Come find out why!**
- **Find out what legal battles TAR and NAR are fighting for on your behalf at the state and national level**
- **The top 10 things to do to avoid being sued**
